About me - Profile

My name is Bogdan Voiculescu and I'm a designer. I finished the Highschool of Arts and also The Academy of Arts from Bucharest - Design department. My film background starts in early 2000' with some small movies. I worked from the ground (action!, running in the studio, fix the computers, coffees, layouts, constructions, etc) to office. My design background - graphic design, web design, creative design - graphic artist, painter is for about 22 yrs. I can handle with all the graphic styles, all kind of dressing sets. I am a non-confrontational person, understanding and and cope with the pressure.
